# Procedures of limited value

Have you booked a child on to a surgical list for any of the following procedures?

- **Circumcision <5 years**
- **Hydrocele repair <3 years**
- **Umbilical hernia repair <3 years**
- **Tongue tie release under GA**

You must complete a quick form for each case to explain the reason for the procedure. This is an initiative to implement "Getting it Right First Time" recommendations

You can find the form here:

<https://stpn.uk/procedures-limited-value-form/>
