

# Preassessment Service Checklist

## Essential

- A designated lead anaesthetist for paediatric preassessment, with specified programmed preassessment time
- Nurses trained in preassessment
- Admin support for the preassessment service (increased efficiency)
- A virtual questionnaire- to triage
- Scheduled virtual or face to face preassessment clinics: nurse led (suits most) +/- consultant led
- A space for face to face appointments

## Ideal

- Child friendly environment
- Virtual hospital tours and meet the staff e.g. my little journey app
- Play specialist support
- Learning disability liaison nurse support
